

Internal Midterm Student Evaluation of the China Center

Semester and year: _____

Instructions

This form is to be filled out by students during a community meeting held before the end of the sixth week of classes. Unlike the standardized center evaluation form used by all centers at the end of the semester, this form is for internal use only. Since evaluations are done prior to mid-semester, currently enrolled students may benefit directly from suggested changes in programming. Your evaluation is very valuable to us and will remain anonymous, so please take the time to reflect on each item carefully and candidly. Please submit a printed copy to the designated student representative at the end of the meeting or leave in her or his inbox.
